

**SNOWSPORT ENGLAND
COURSE SETTER CRITERIA
AND RECOMMENDATION FORM**

“B” list Course Setter

To qualify as a ‘B’ List setter, an individual must set one course under the oversight of a qualified and already “A” listed Course Setter and the Race Jury. The supervising setter should submit the recommendation form to the Snowsport England office and ASC. Following endorsement, the individual will be added to the “B” Course Setters’ list and Chair of Coaching Committee will be informed.

“A” list Course Setter

“A” List qualification will be done by continuous assessment by setting at least 3 Club National Courses at 2 different slopes, and then applying to set a Grand Prix course. This course will be assessed by both a level “A” Course Setter and the Race Jury. If acceptable the individual will be approved as an “A” list Course Setter.

Re-validation of the qualification

Revalidation is attained by attending at least one Course Setters’ Forum every 3 years, and setting at least one CN/GP/Celtic Cup or Championship event during this period.

Course Setters Lists

- “B” List Setter - can set Club National / Celtic Cup / Regional Races / Club courses without supervision
- “A” List Setter - can set any course without supervision

Recommendation Form for "B" List Course Setters
